Houston, Texas 77042

Dear Kathleen and John,

On behalf of the Beautify Corpus Christi Association's Board of Directors, please accept this letter as confirmation of our endorsement and commitment to support the Las Brisas Energy Plant project. Our organization strives to create a clean, beautiful environment. After careful review of the environmental and economic impact Las Brisas would have in our community, our board of directors voted unanimously to endorse the project. We found it to be environmentally responsible and of great economic benefit to our community. We wholeheartedly support this project and your plan to create a clean energy source for the future of our community that strives to protect the environment and meet the needs of our region.

The Beautify Corpus Christi Association is pleased and proud to support the Las Brisas Energy Center and wish you much success. Best wishes on your endeavor!

Respectfully yours,

James Chrobocinski, President
